ABOUT SABRINA ESPINAL

I'm a certified Social Media Strategist, WordPress Website designer, Desire Map Licensed Workshop Facilitator, and Blogger. Creatively supporting small businesses and single entrepreneurs, along with giving back to the community, helps to create the happiness vibe you'll feel when working with me.

I previously served in leadership roles in technology and human resources at AT&T and Vera Wang. Originally from Ohio, I received an MBA from Baker College and a Bachelor of Arts from The Ohio State University. I'm a cool New Yorker and a graduate of Marie Forleo's B-School.
